Parent's Retrospection

I would like to express my sincere appreciation to the school for your dedication and hard work. As a parent, watching my two daughters grow and complete their high school in RKS was indeed a very proud moment. There were always enough facilities and equipment to enhance the children's learning. RKS has never failed to make us parents proud, be it in the aspect of academics, school functions or other co-curricular activities. Every bit of effort was educative, informative and relevant. I would also like to acknowledge the teachers through whom the students have built their unlimited potential. The school may have found a teacher but our children found their future through you.

Thank you to all the staff for your love, care and endless support. Even as my children set off to their further studies, RKS will always remain their leading foundation and will continue to cherish all the wonderful memories. Once again thank you so much. May our Almighty God continue to bless RK School abundantly.

Mrs. I. Sentila Jamir
Parent of Jongshinaro
& Imsutila
(Former Parent)

Parent's Retrospection

First of all, greetings to all the RK School family. I would like to thank all the faculty and staff for your outstanding contribution to the upliftment of the children. You all have been an amazing team who is diligent and hard-working not only in the classroom but also in extracurricular activities which has helped my son a lot. I know that my son has learned a lot from you, and I sincerely thank you all for that. I also appreciate all the extra time and effort you put in to help my child grow and learn. Thank you all for making a difference in my child's life. Hoping and looking forward to a bright future.

GOD BLESS RKS.

Mrs. Narola Kora
Parent of Lanunir
(Present Parent)

Mail from Student

My life in RKS was a wonderful journey with different kinds of people, different environments and different facilities. It was a wonderful experience. I as a student of RKS, I learnt many new things, I improved in every aspect of life and I was exposed to different kinds of talents. Not forgetting my wonderful teachers and my fellow friends. My teachers were like a parent to us, molding us in every form and also helping us when we were in trouble. I wouldn't have those precious memories without all my fellow mates. I'm so lucky to have such companions. In a nutshell, my experience in RKS is an unforgettable experience. I will always cherish it. Thank you

Imsutila
Grade 10 (2022-23)

Mail from a former Student

Hello! My name is I. Akumnaro Aier currently a grade 12 student studying at St. Mary Higher Secondary School Dimapur. I am privileged to forward and convey a short note and share my experience of my former school. I passed out my grade 10 board exam from Rajeshwari Karuna School Tuli a very reputable school with a pleasant environment. Apparently, the outcome of good and proud students is due to the genuine dedication of the teachers. I personally admire the charisma of our Director, Sir Subonenba Longkumer. My experience in RKS was not just limited to studies but also the multiple activities such as sports, gardening and music that kept me active. The facilities provided by the school were fabulous and comforted the student's stay in school. I had the best comrades with whom I could share my problems and thoughts. During my stay in RKS, I realized that one should remember that not everyone is privileged to get an education. If one gets the opportunity, then be grateful and work towards being a better human. Lastly, I will always cherish the love and support of RKS and stay motivated.

I. Akumnaro Aier
Batch of 2021-22

My Teaching Experience

It has been an honour and privilege to work in RKS for the last 3 years. I gained many important and essential personal characteristics and professional skills. Like most educators, I can honestly say I have learnt from every student I have ever taught. It was a mutual sharing, with realistic goals set and achieved. I would also like to thank the director, principal and my colleagues for encouraging me so much, even when things appeared to be quite challenging. With the help of all your support, hard work, kindness, friendship, and appreciation, I have achieved whatever I wanted to and have been able to give this school my best.

School Activities

World AIDS Day

On 1st December, 2022 to mark World Aids Day, a marathon race followed by a short program was organized by Rajeshwari Karuna School Tuli at Longkumer Complex, Tuli (17th mile) with the theme: Achieving Equity To End HIV. The marathon race commenced at 5:45 am from Aohadang Public Ground, Borbora Ward to Longkumer Complex, Tulikong Ward. Altogether 31 students participated in the marathon. Cash prizes, medals, and certificates were awarded to the winners and to the participants.

Cultural cum Literary Day

Rajeshwari Karuna School Tuli organized its 4th Literary Day cum 2nd Cultural Day on 10th February 2023. Literary committees and its members of the Cultural club organized the event focusing on the theme "Build within the colour".

ME, MY PEERS AND THE CORN

National Award recipients of the Wipro Earthian Sustainability Program for school

Rajeshwari Karuna School Tuli, Mokochung ranked the Top 20 National winners of the Wipro Earthian Sustainability Education Program for Schools. The school has been selected out of 1200+ entries across the nation from amongst the theme- biodiversity, waste and water management. The award ceremony was attended by five students and one teacher, accompanied by the Earthian Sustainability Educator.

“Work hard, be kind, and amazing things will happen.” - Conan O'Brien

Combining Education with Fun!!!

Rajeshwari Karuna School Tuli organized an exposure trip to Guwahati for Grade-10 students (batch 2022-2023) along with four teachers from 4th to 8th December 2022. The school acknowledges the benefits of the knowledge-sharing platform and conducted exposure visits for the students.

It's better to see something once than to hear about it a thousand times...

Skilling...UP in Farming

A one-day training & demonstration on winter crop production technology was held at Rajeshwari Karuna School Tuli on 7th November 2022 at the school premises. The resource persons were Dr. Keveletsu Khate, Senior Scientist and Head, Krishi Vigyan Kendra, Mokochung, Ms. Khekali Sema, Asst. Chief Technical Officer, Horticulture KVK, and Ms. Imtisenla Asst. Chief Technical Officer, Agronomy KVK.

The students and staff of the school were given hands-on training on when and how to plant the crops, the importance of organic farming, and its benefits. The team also went on to demonstrate how to prepare and care for crop nurseries and the transplantation process. The one-day training proved to be greatly beneficial to the students and the school.
